Our Youth Ballet Intensive is the perfect experience for young dancers ready to grow their technique and confidence in a focused, encouraging environment. Designed for ages 6–9, this half-day program introduces dancers to structured ballet training while keeping the joy and creativity of movement at the heart of every class.

Dancers will explore:

- Ballet technique fundamentals
- Pre-Pointe & strength basics
- PBT (Progressing Ballet Technique) foundations
- Introductory variations

This intensive builds strong technical foundations, musicality, and artistry – all while nurturing a love for ballet.

Our full-day Ballet Intensive is designed for dedicated dancers ready to deepen their training and refine their artistry. With two levels offered (Beginner/Intermediate and Intermediate/Advanced), dancers will receive focused instruction appropriate to their experience and technical level.

The day includes a variety of classes such as:

- Ballet technique
- PBT (Progressing Ballet Technique)
 - Pilates
 - Variations
- Artistry and performance quality

This immersive experience strengthens technique, builds stamina, and challenges dancers to grow both technically and artistically. It's the perfect opportunity to elevate training, stay sharp over the summer, and step confidently into the next season.

Take your training to the next level at our Summer Industry Dance Intensive, led by the incredible faculty of Pacific Dance Project. Dancers will experience two full days of immersive training in a variety of styles designed to challenge, inspire, and elevate their technique and artistry.

This intensive is open to Ages 6–9 and Ages 10+ (Beginner/Intermediate & Intermediate/Advanced levels) and runs 9:00 AM – 4:00 PM each day.

Throughout the intensive, dancers will:

- Train in multiple dance styles with industry professionals
- Learn choreography and combinations in a professional-style class setting
 - Build confidence, performance quality, and versatility
- Participate in a class combo showcase at the end of the intensive

This is an exciting opportunity for dancers to learn from working professionals, push their training further, and experience the energy of an industry-style intensive.
